OCTOBER 4, 2011
AGENDA

ORDER OF BUSINESS: Regular meetings of the Finance Committee and the Ordinance Committee begin at 12:30 p.m. The regular City Council meeting begins at 2:00 p.m. in the Council Chamber at City Hall.

REPORTS: Copies of the reports relating to agenda items are available for review in the City Clerk's Office, at the Central Library, and http://www.SantaBarbaraCA.gov. In accordance with state law requirements, this agenda generally contains only a brief general description of each item of business to be transacted or discussed at the meeting. Should you wish more detailed information regarding any particular agenda item, you are encouraged to obtain a copy of the Council Agenda Report (a "CAR") for that item from either the Clerk's Office, the Reference Desk at the City's Main Library, or online at the City's website (http://www.SantaBarbaraCA.gov). Materials related to an item on this agenda submitted to the City Council after distribution of the agenda packet are available for public inspection in the City Clerk's Office located at City Hall, 735 Anacapa Street, Santa Barbara, CA 93101, during normal business hours.

PUBLIC COMMENT: At the beginning of the 2:00 p.m. session of each regular City Council meeting, and at the beginning of each special City Council meeting, any member of the public may address the City Council concerning any item not on the Council's agenda. Any person wishing to make such address should first complete and deliver a "Request to Speak" form prior to the time that public comment is taken up by the City Council. Should City Council business continue into the evening session of a regular City Council meeting at 6:00 p.m., the City Council will allow any member of the public who did not address them during the 2:00 p.m. session to do so. The total amount of time for public comments will be 15 minutes, and no individual speaker may speak for more than 1 minute. The City Council, upon majority vote, may decline to hear a speaker on the grounds that the subject matter is beyond their jurisdiction.

REQUEST TO SPEAK: A member of the public may address the Finance or Ordinance Committee or City Council regarding any scheduled agenda item. Any person wishing to make such address should first complete and deliver a "Request to Speak" form prior to the time that the item is taken up by the Finance or Ordinance Committee or City Council.

CONSENT CALENDAR: The Consent Calendar is comprised of items that will not usually require discussion by the City Council. A Consent Calendar item is open for discussion by the City Council upon request of a Councilmember, City staff, or member of the public. Items on the Consent Calendar may be approved by a single motion. Should you wish to comment on an item listed on the Consent Agenda, after turning in your "Request to Speak" form, you should come forward to speak at the time the Council considers the Consent Calendar.

AMERICANS WITH DISABILITIES ACT: In compliance with the Americans with Disabilities Act, if you need special assistance to gain access to, comment at, or participate in this meeting, please contact the City Administrator's Office at 564-5305 or inquire at the City Clerk's Office on the day of the meeting. If possible, notification at least 48 hours prior to the meeting will enable the City to make reasonable arrangements in most cases.

TELEVISION COVERAGE: Each regular City Council meeting is broadcast live in English and Spanish on City TV Channel 18 and rebroadcast in English on Wednesdays and Thursdays at 7:00 p.m. and Saturdays at 9:00 a.m., and in Spanish on Sundays at 4:00 p.m. Each televised Council meeting is closed captioned for the hearing impaired. Check the City TV program guide at www.citytv18.com for rebroadcasts of Finance and Ordinance Committee meetings, and for any changes to the replay schedule.

ORDINANCE NO.__________

THE COUNCIL OF THE CITY OF SANTA BARBARA DOES ORDAIN AS FOLLOWS:

SECTION 1. In accordance with the provisions of Section 521 of the Charter of the City of Santa Barbara, An Ordinance of the Council of the City of Santa Barbara approving a five-year lease with one five-year option with Brophy and Sons, Inc., for the retail space at 119-C Harbor Way, effective November 3, 2011, is hereby approved.
AGENDA DATE: October 4, 2011
TO: Mayor and Councilmembers
FROM: Harbor Operations Division, Waterfront Department
SUBJECT: Grant From California Department Of Boating And Waterways For Removal Of Vessels Per The State’s Vessel Turn-In Program

RECOMMENDATION: That Council:

A. Authorize the Interim Waterfront Director to execute an agreement with the California Department of Boating and Waterways accepting an $8,000 grant for the disposal of recreational vessels per the state’s Vessel Turn-In Program; and
B. Increase Fiscal Year 2012 estimated revenue and appropriations by $8,000 in the Waterfront Department’s Capital Budget.

DISCUSSION:

The California Department of Boating and Waterways (DBW) has reviewed and approved the Waterfront Department’s application for a grant in the amount of $8,000 for the disposal of vessels that qualify under DBW’s Vessel Turn-In Program (VTIP). The VTIP is a pilot program allowing local public agencies to accept for disposal derelict vessels or vessels likely to become abandoned that are voluntarily surrendered by their owners. The funds are used to reimburse the City 90% of the cost of disposing vessels acquired under this program. The City, in turn, retains discretionary authority over which vessels it accepts under the VTIP program. By authorizing the Waterfront Director to execute the VTIP agreement, the City will receive this grant funding before the main winter season, when abandoned or derelict vessels often sink or run aground on City beaches.

FROM: City Administrator’s Office

SUBJECT: Memorandum Of Understanding With The Community Action Commission For The South Coast Task Force On Youth Gangs Effort

RECOMMENDATION:

That Council authorize the City Administrator to execute the Memorandum of Understanding with the Community Action Commission to coordinate efforts of the South Coast Task Force on Youth Gangs.

DISCUSSION:

In July 2010, the Community Action Commission (CAC) agreed to serve as the host agency for a regional effort to prevent youth gang violence in the Santa Barbara South Coast area. This involved hiring a full-time coordinator position.

The proposed Memorandum of Understanding (MOU) with CAC renews the City’s annual funding commitment of $67,729. The funding and terms of the MOU are identical to the agreement that was executed last year. The Cities of Goleta and Carpinteria and the County of Santa Barbara continue as funding partners, contributing the following amounts:

- City of Santa Barbara $67,729
- County of Santa Barbara (Unincorporated South Coast Area) $50,434
- City of Goleta $22,800
- City of Carpinteria $10,703
- In-kind contribution from CAC $26,505

Total $178,171

Appropriated funds for this MOU are included in the City Administrator's Office Fiscal Year 2012 budget.
AGENDA DATE: October 4, 2011

TO: Mayor and Council Members

FROM: Engineering Division, Public Works Department

SUBJECT: Disaster Recovery Initiative Program Grant Appropriation And Reimbursement

RECOMMENDATION: That Council:

A. Increase appropriations and estimated revenues for Fiscal Year 2012 in the newly created Disaster Recovery Initiative Grant Fund by $3,392,985 to be funded from the Housing and Urban Development 2008 Disaster Recovery Initiative Program Grant for improvements to the Sycamore Creek Channel, an update to the City’s General Plan Safety Element, and a reimbursement of costs incurred by the City’s Airport for the San Pedro Creek Sewer Line Relocation Project; and

B. Increase appropriations and estimated revenues by $200,753 in the Airport’s Capital Fund to reimburse the Goleta Sanitation District for their share of costs incurred for the San Pedro Creek Sewer Line Relocation Project, to be funded from a transfer of funds from the Disaster Recovery Initiative Grant Fund.

DISCUSSION:

On June 29, 2010, Council approved an application for funding and the execution of a grant agreement for the 2008 Disaster Recovery Initiative (DRI) Fund Allocation of the State Community Development Block Grant Program. The purpose of the DRI grant was to provide funding assistance to projects that were related to the major federal wildfire disaster declarations issued in 2008. The two local declarations were issued on June 28, 2008 for the Gap Fire and on November 18, 2008 for the Tea Fire.

The City submitted a grant application in August 2010 for the three projects that met the DRI eligibility requirements: Sycamore Creek Channel Improvements ($510,300), San Pedro Creek Sewer Line Relocation ($409,700), and an update to the Safety Element of the City’s General Plan ($80,000), for a total of $1,000,000, which was the maximum allowable under this program.
In December 2010, the City received confirmation that the three projects would be receiving funding totaling $1,000,000. On April 28, 2011, the standard agreement between the City and Department of Housing and Community Development (HUD) was executed (Attachment 1).

On March 29, 2011, HUD issued an amendment to the DRI grant, allowing the grantees to apply for additional funding of up to $5 million. In May 2011, Council approved increasing the funding request by $2,662,525 for the Sycamore Creek Channel Improvement Project, adding the demolition and replacement of the Punta Gorda Street Bridge, in addition to the channel widening and restoration improvements already approved. Council also approved an increasing the funding request by $170,000 for a total of $250,000 for the Safety Element Update as the maximum allowable per the amended program guidelines. The increased grant amount allows for assistance from a technical consultants to improve the quality of the Safety Element Update by providing new analysis to fill gaps in hazard information (e.g., depth-to-groundwater and liquefaction mapping), and provide further information benefitting emergency preparedness and response.

On August 26, 2011, the City received a letter from the California Department of Housing and Community Development/Division of Financial Assistance (HCD) granting a conditional commitment to the additional DRI grant funds of $2,392,985, totaling $3,392,985 (Attachment 2). The City will be required to sign an updated Standard Agreement Amendment with HCD. In the meantime, staff is recommending Council appropriate the funds.

Project costs can be found on the Project Funding Summary Table. The recommendation to appropriate $3,392,985 in the newly created Disaster Recovery Initiative Grant Fund is comprised of $2,662,525 for the Sycamore Creek Channel Improvements, $250,000 for the Safety Element Update, $409,700 for reimbursement to the Airport Capital Fund for the San Pedro Creek Sewer Line Relocation, and $70,760 for general administration.

**BUDGET/FINANCIAL INFORMATION:**

**San Pedro Creek Sewer Line Relocation**

The San Pedro Creek Sewer Line Relocation Project was completed as an emergency project following the Gap Fire. Airport Staff is currently working with HUD to satisfy the federal requirements of the grant. The Project was funded by both the Airport and Goleta Sanitation District. Reimbursement to the Airport Fund in the amount of $409,700 is anticipated before the end of calendar year 2011, and includes the portion ($200,753) funded by Goleta Sanitation District. A total of $409,700 will be paid out of the Disaster Recovery Initiative Grant Fund to the Airport Capital Fund, of which $200,753 will be appropriated for reimbursement to Goleta Sanitation.
Sycamore Creek Channel Improvements

The Tea Fire significantly burned the watershed area draining into Sycamore Canyon. Much of the area north of Highway 101 adjacent to Sycamore Creek is within the 100-year flood plain. Properties in this neighborhood were significantly flooded twice in 1995. The proposed improvements include widening the Sycamore Creek Channel from the Highway 101 Bridge upstream to Punta Gorda Street to increase channel capacity.

The Sycamore Creek Channel Improvements Project is currently under environmental review, and is scheduled to go before the Planning Commission in October. This project is comprised of two phases. Phase 1 consists of channel improvements only, beginning 5 feet north of the Highway 101 right of way, and extending approximately 150 feet upstream toward the Punta Gorda Street Bridge. Phase 2 consists of channel improvements beginning at the northerly end of Phase 1, and extending 195 feet upstream to a point approximately 75 feet beyond the Punta Gorda Street Bridge. Phase 2 includes the replacement of the Punta Gorda Street Bridge.

Both phases include a creek restoration plan. The DRI grant funds are for construction of both phases in the amount of $2,662,525, with the City providing $145,200 for construction administration, to be funded by the Streets Fund.

Safety Element Update

Community Development staff has been working on a Request for Proposal to send out to qualified firms who would assist in updating the City's General Plan Safety Element, which has not had a comprehensive update since the original was adopted in 1979. The DRI grant in the amount of $250,000 provides an opportunity to meet this need.

Santa Barbara, CA 93102-1990

Dear Mr. Casey:

The Department of Housing and Community Development (Department) is pleased to announce the City of Santa Barbara as a recipient of an additional 2010—11 Community Development Block Grant Program (CDBG), 2008 Disaster Recovery Initiative (DRI) Program award. Funding for the 2008 DRI Program is available pursuant to Title IV of the Robert T. Stafford Disaster Relief and Emergency Assistance Act (42 U.S.C.), as well as the Federal Housing and Community Development Act of 1974, as amended in 1981, which created the CDBG Program.

The primary objective of the DRI is to provide resources to eligible cities and counties in their efforts to recover from the 2008 wildfire disasters, helping them to create or rehabilitate decent affordable housing, public improvements, public facilities, and public services, and to expand economic opportunities for low- and moderate-income persons in their communities directly affected by the wildfire disasters.

This letter constitutes a conditional commitment of additional General Allocation DRI grant funds in the amount of $2,392,985 to the previously awarded $1,000,000, totaling $3,392,985. Staff of the CDBG General Program will be contacting you shortly to initiate the process of preparing the Standard Agreement Amendment for fund distribution. Please note that no funds may be expended, nor any costs incurred, until the contract amendment is fully executed.

Again, congratulations for your successful application. For further information concerning this award, please contact Steven Marshall, State CDBG General Program Manager, at (916) 319-8410 or via email at smarshali@hcd.ca.gov or Jay Cook, State CDBG Representative, at (916) 319-8136 or via email at jcook@hcd.ca.gov.

AGENDA DATE: October 4, 2011

TO: Mayor and Councilmembers

FROM: Administration, Library Department

SUBJECT: Fiscal Year 2012 Agreement For A Countywide Free Library System

RECOMMENDATION:

That Council approve and authorize the City Administrator to execute an agreement between the County of Santa Barbara and the Cities of Santa Barbara, Santa Maria and Lompoc for the operation of a Countywide Free Library System for Fiscal Year 2012.

DISCUSSION:

The proposed agreement provides for continued funding of Library services for all Santa Barbara County residents in Fiscal Year 2012 and designates the Cities of Santa Barbara, Lompoc and Santa Maria as administrators of County Library Zones 1, 2, and 3, respectively. The City of Santa Barbara furnishes library service to all persons inhabiting Library Zone 1, including Carpinteria, Los Olivos, Montecito, Goleta, Solvang and Santa Ynez.

On June 30, 2011 the previous one-year contract expired. Normally, the term of the agreement is four years. However, the Board of Supervisors is evaluating potential changes to the funding model. This one-year contract allows the library zones to receive the recommended funding for operations in Fiscal Year 2012 until a long-term strategy and funding model can be completed by the County, the City libraries and other interested stakeholders.

As a result of budget constraints, the Board of Supervisors reduced the County per capita contribution for Fiscal Year 2012 by 15%, from $6.90 per resident to $5.87.
Under the terms and conditions of this contract, the Santa Barbara Public Library System will receive:

- $533,541.91 of County per capita funds for support of the Central and Eastside Branch Libraries (City Libraries)
- $811,862.09 of County per capita funds for support of the Carpinteria, Goleta, Los Olivos, Montecito, Santa Ynez and Solvang Libraries (County Libraries)
- Estimated assessment revenue of $169,210, collected within the unincorporated portion of County Service Area Number Three and available to the Goleta Library as a result of voter-approved Measure L
- A 9% administrative fee of $72,168, that the City of Santa Barbara charges for managing the Carpinteria, Goleta, Los Olivos, Montecito, Santa Ynez and Solvang libraries

The Adopted Fiscal Year 2012 Library budget assumed the reduction in revenue from the County.

AGENDA DATE: October 4, 2011
TO: Mayor and Councilmembers
FROM: Administration, Fire Department
SUBJECT: 2011 Annual Charitable Giving Campaign

RECOMMENDATION:
That Council receive a report on the City’s 2011 Annual Charitable Giving Campaign.

DISCUSSION:
The City of Santa Barbara is beginning its 2011 Annual Charitable Giving Campaign. As part of the campaign, the Santa Barbara United Way Agency sponsored its 20th Annual Day of Caring, which was held this year on Saturday, September 17, 2011. In total, over 1,700 people volunteered for the event. Individuals from local businesses, community parishes and non-profit organizations, as well as families, volunteered as “teams.” The current economic environment continues to affect the level of volunteers from various organizations; however, the overall number of volunteers exceeded last year’s number in large part due to a higher number of families and friends participating.

City employees have historically supported this event in both spirit and with their “helping hands,” and continued the tradition this year with 37 employees and members of their families volunteering to work in teams at various volunteer locations. Employee participation was up 10% from last year. This year’s City team volunteered at the following sites: Bohnett Park, the United Boys and Girls West Clubhouse and the Horticulture Demonstration Gardens at Santa Barbara City College. City employees assisted with painting, weeding, trash pickup, carpentry, cleaning, planting seedlings, and general yard work at these locations.

A great deal of work was done by Day of Caring volunteers in our City Parks. At Bohnett Park, located in the 1200 block of San Pascual Street, 50 volunteers from the SBCC International Student Society, helped weed and clean the main pathways and paint park fixtures. They then assisted at the nearby United Boys and Girls clubhouse. At Shoreline Park, many Cottage Health Care Systems volunteers cleared weeds, pruned flowers and added mulch to planters around the playground. In our economic environment, when
financial resources available to non-profit organizations are much scarcer, the efforts of these volunteers are greatly appreciated and more important than ever.

The 2011 Charitable Giving Campaign will be held from October 11 through December 13, and will involve presentations in all City departments. The goal of the City’s Charitable Giving campaign will be to ensure that each City employee is afforded the opportunity to contribute to one of more charitable organizations of their choosing.

FROM: Office of Emergency Services, Fire Department

SUBJECT: Roles And Responsibilities During Emergency Operations

RECOMMENDATION:

That Council receive training on the roles and responsibilities of the Mayor and Council during emergency operations.

DISCUSSION:

The purpose of this workshop is to review with the Mayor and City Council their roles and responsibilities in emergency operations as part of the Statewide Emergency Management System (SEMS).

It is critical that the Mayor and City Council are cognizant of their policy and guidance responsibilities in a disaster situation. As the governing body, the City Council will provide for the City’s continuity of government with the authority defined in the State’s Emergency Services’ Act, City Municipal Code, and local ordinances.

Additionally, the presentation will include a brief overview of the City’s role as it relates to the Standardized Emergency Management System (SEMS) and the National Incident Management System (NIMS).
