ATTEST:

HELENE SCHNEIDER          SUSAN TSCHECHEL, CMC
MAYOR                      DEPUTY CITY CLERK
AGENDA DATE: August 6, 2013
TO: Mayor and Councilmembers
FROM: Business & Property Division, Airport Department
SUBJECT: Attornment Agreement with H. Oliver Dixon and Montecito Bank & Trust For An Airport Property

RECOMMENDATION:

That Council introduce and subsequently adopt, by reading of title only, an Ordinance of the Council of the City of Santa Barbara Approving, and Authorizing the Airport Director to Execute, An Attornment Agreement Among the City of Santa Barbara, H. Oliver Dixon, Inc., and Montecito Bank & Trust Pertaining to Lease Agreement No. 21,810, dated November 1, 2005.

DISCUSSION:

The subject Premises is located south of Hollister Avenue in an Airport Facilities (AF) zone.

H. Oliver Dixon, Inc. has been an Airport tenant since 1960, when his father, E.D. Dixon constructed a motel at the corner of Hollister and Fairview Avenues and entered into a lease agreement with the City for parking adjacent to the motel site. On November 1, 2005, Mr. Dixon and the Airport entered into a fifteen year lease with two five year options (Lease Agreement No. 21,810) for the parking area.

At this time, Mr. Dixon wishes to negotiate a loan with Montecito Bank & Trust using the motel as security. The motel is located in Goleta, and is not on Airport property. Since the parking area owned by the City is required for operation of the motel, Montecito Bank & Trust requested assurances from the City that it would be willing to allow the bank to cure any default that might result in termination of the parking lot lease and, should the bank be forced to foreclose on Mr. Dixon’s loan, the City would accept an alternate tenant proposed by the bank.

The Airport has provided the bank with an estoppel letter stating the terms of Mr. Dixon’s agreement and verifying that he is a tenant in good standing.
Any proposed substitute tenant put forth by the bank would be required to demonstrate experience and ability to meet the obligations set forth in the lease, including the financial capability to keep the agreement in full force and effect. The City’s prior written approval is required for any assignment of the Lease.

Approval of this Attornment Agreement will have no monetary effect.

ORDINANCE NO. ________

THE COUNCIL OF THE CITY OF SANTA BARBARA DOES ORDAIN AS FOLLOWS:

SECTION 1. In accordance with the provisions of Section 521 of the Charter of the City of Santa Barbara, that certain attornment agreement among the City of Santa Barbara, H. Oliver Dixon, Inc., and Montecito Bank & Trust allowing Montecito Bank & Trust to cure any monetary default of Lease Agreement No. 21,810, dated November 1, 2005, on behalf of H. Oliver Dixon in order to provide continued use of the vehicle parking lot adjacent to the Super 8 Motel, at 6021 Hollister Avenue, at the Santa Barbara Airport, is hereby approved.
AGENDA DATE: August 6, 2013

TO: Mayor and Councilmembers

FROM: Recreation Division, Parks and Recreation Department

SUBJECT: Twelve35 Teen Center Lease With Santa Barbara Police Activities League and Annual Report

RECOMMENDATION: That Council:

A. Authorize the Parks and Recreation Director to enter into a three-year lease agreement with the Santa Barbara Police Activities League (PAL) for the Twelve35 Teen Center with a monthly rent of $800, commencing July 1, 2013, and ending June 30, 2016; and
B. Receive the Fiscal Year 2013 PAL Annual Report.

DISCUSSION:

Beginning in September of 2010, PAL has provided programs and operational management of Twelve35 Teen Center. The initial lease provided a ten-month term with an option to extend the lease for two additional one-year terms through June 30, 2013. In May 2013, PAL was contacted by letter, and the lease was extended on a month-to-month basis until a new lease was authorized.

The lease of the facility stipulates that an annual report be provided on program services and participation. The attached report was provided at the Parks and Recreation Commission meeting of June 26, 2013, and fulfills this obligation. This requirement continues with the new lease.

Only minor changes were made to the new lease. The following is a list of modifications:

- Three-year term
- Quarterly Teen Center Advisory Committee meetings. Meetings were previously required on a monthly basis to address program needs, but after receiving feedback from the Santa Barbara Youth Council at their June 3, 2013, meeting, it was suggested to modify the frequency to quarterly meetings, and allow for additional meetings on an as needed basis.
- Base rent of $800 with an annual adjustment equal to the adjustment increase to Neighborhood Center non-profit lease rates set by City Council resolution.
The Department appreciates and thanks PAL for their commitment to community youth and teens, and are pleased with the outstanding services and programs they provide at the Twelve35 Teen Center.

BUDGET/FINANCIAL INFORMATION:

The monthly base rent of $800 provides lease revenue of $9,600 for a full year of operation and is included in the Fiscal Year 2014 adopted budget.

The Santa Barbara Police Activities league currently serves over 1,200 youth each year. One of the most ubiquitous issues facing our community is reaching out at a grassroots level to connect families at a disadvantage to services that can assist them. The Santa Barbara Police Activities League solves this problem by bringing together a coalition of groups and provides free activities and services for the youth of our community. Instead of focusing on one neighborhood or center, PAL encompasses all Santa Barbara County residents and removes barriers, unlocking doors for the future.

TWELVE 35 Teen Center
The PAL Teen Center currently serves over 40 kids a day. At the Center we offer tutoring from Cal-SOAP in the computer lab, daily healthy snacks, dance classes, and even a young women’s empowerment group that meets weekly. The PAL Youth Leadership Council meets every Thursday afternoon at the Center. Currently Summit High School operates during the day from 8-2 and then the Center turns into the PAL Teen Center from 2:30-6:30. Below are examples of activities and classes PAL has offered over the past year.

- Trips to LA Galaxy Soccer Games
- Teen Dances
- Art Collaboration with Santa Barbara Museum of Art
- Knitting for victims of domestic violence & cancer patients
- Teen made Thanksgiving Dinner for Little Pal’s, families and law enforcement
- Help Portrait Day
- Holiday Parade
- Toy Drive & Gift wrapping for Holiday Dinner
- Beach soccer game
- Video game and pool tournaments
- Domestic Violence workshops
- Community Clean-ups
- Fitness classes
- Theatre Arts with Arts for Humanity!
- Guitar Lessons
- Music Studio

- Big Pal Little Pal Spring Break camp March 25-29: SBPAL held its annual Big Pal Little Pal spring break camp during the week of March 25th. The camp consisted of 14 PAL Youth Leadership high school students and 14 elementary students. All of the grade school students are referred by Family Service Agencies from local Title One Schools. The camp is a weeklong mentoring program that provides underserved youth a chance to have fun and experience new activities.
• Campership Alliance: Sign-ups for Campership Alliance took place on May 4th and 5th. The Campership Alliance is a collaborative effort between 12 other non-profits to provide over 450 underserved children with summer camp scholarships and transportation for youths living in Goleta, Santa Barbara, and Carpinteria areas. The Alliance is an effective way to ensure that all participants qualify based on socio-economic need, and that camp scholarships are distributed to youth living below the poverty level. Camps run from mid-June through late August and include science camps, sports camps, nature camps, and one week residential camps. SBPAL hires two campership coordinators to facilitate data entry, tracking of programs, registration, scheduling camps with alliance partners, and daily monitoring of transportation. Last summer 463 camp scholarships were given out to youth between the ages of 5 to 18 in Santa Barbara County and this year we anticipate the same number. The goal of the Alliance is to make campership opportunities available to families with limited resources that otherwise could not afford to send their children to camp. Moreover, SBPAL provides transportation to and from camps at no cost to ensure that working families can participate.

Computer Lab

The Teen Center Computer Lab is directly aligned with the Santa Barbara Police Activities mission and goal of reducing gang involvement and increasing the academic performance of students. The Chief of Police and the department see firsthand how PAL programs provide a structured environment separated from negative societal pressures created by gangs. In addition, the Santa Barbara Police Department budgets for officers to be part of PAL programs to ensure the effectiveness of the programs and maintain the high accountability of dedicated mentors. By assisting the youth of our community directly through technology and expanding access to computers and online access enables them to go on and be productive members of their community.

The kids we serve at the Center:

This is an excerpt from a student that attends Summit High at the Teen Center. His name is Edgar and through the many obstacles including being locked up, attending various schools, and time at Los Prietos he managed to graduate high school last month. I met him at the Teen Center with his young three year old son and saw with my own eyes this amazing father and well-spoken young man. This is an excerpt from his graduating essay:

“In the 9th grade, I got into trouble and quickly found myself in juvenile hall. From there, I was transferred to the Villa Esperanza where I did fairly well and earned some credit. When I completed my program at the Villa, I transferred back to El Puente School in Santa Barbara. I didn’t do well there and eventually
was sent back to juvenile hall. From there I ended up at Los Prietos Boys Camp. I did not realize at the time, but being sent to camp was a turning point in my life. I learned many things during my stay; including how much to value my education. Eventually I hit rock bottom nearing my 18th birthday. I considered dropping out when I was told about Summit High School. I decided to give graduation one final attempt and I enrolled myself. The teacher, Mark Leufkens, worked with me and kept me motivated to keep going. I did really well with the independent studies and learned a lot about the history and government of the United States. Finally I finished! I would like to thank Mark, his superiors and anybody else who funds Summit High School. I hope I serve as an example that Summit High School is a successful program.”

Attached is a picture of my new buddy, Anthony. When he came to the center a month ago, all he could talk about was that his dad was in prison and his mom would leave him at the park alone to buy drugs. Since Anthony has been at the Teen Center all he talks about are the positive things in his life. Now, Anthony is doing better in school and gets help with his homework every day at the Teen Center. Thanks to PAL, the Teen Center Staff and family, Anthony is happy and in a safe environment after school. He now has friends and mentors to help and guide him. PAL opens the doors for kids like Anthony and embraces them when all the doors have been closed in the past.

FROM:  Community Development Department

SUBJECT:  Successor Agency Proposed Transfer Of Property To The City, City Acceptance Of Property And Approval Of Agreements Providing For The Lease And Development Of A Children’s Museum At 125 State Street

RECOMMENDATIONS:

A. That the Successor Agency to the Redevelopment Agency of the City of Santa Barbara adopt, by reading of title only, a Resolution of the Successor Agency to the Redevelopment Agency of the City of Santa Barbara, in Accordance with the Long Range Property Management Plan, to Transfer the Parcels Designated for the Children's Museum of Santa Barbara Owned by the Former Redevelopment Agency to the City of Santa Barbara;

B. That Council adopt, by reading of title only, a Resolution of the Council of the City of Santa Barbara, in Accordance with the Long Range Property Management Plan, to Accept and Assume all Right, Title and Interest to the Real Property Described Herein Owned by the Successor Agency to the Former Redevelopment Agency of the City of Santa Barbara and Authorize the City Administrator to Execute such Agreements and Related Documents as Necessary to Effectuate such Transfer of Real Property Interests to the City of Santa Barbara;

C. That City Council approve and authorize the City Administrator to execute, subject to approval as to form by the City Attorney, a License Agreement with the Santa Barbara Children’s Museum for construction of a Children’s Museum on property located at 125 State Street; and

D. That City Council introduce, and subsequently, adopt by reading of title only, an Ordinance of the Council of the City of Santa Barbara Approving and Authorizing the City Administrator to Execute a 50-Year Ground Lease with Santa Barbara Children’s Museum on City-owned Property Located at 125 State Street.
BACKGROUND:
As part of the State mandated process to dissolve the Redevelopment Agency (RDA), on June 6, 2013, the Oversight Board approved a Long Range Property Management Plan for the real property owned by the former Redevelopment Agency and forwarded the Plan to the State Department of Finance for approval. The Plan included four sets of properties -- the Railroad Depot (including four parcels designated for the Children’s Museum site), Bath Street, and Calle Cesar Chavez.

On July 15, 2013, the State issued a letter approving the Long Range Property Management Plan (LRPMP) for the Children’s Museum Parcels only (Attachment). The remaining parcels will be considered by the Department of Finance once the Oversight Board acts on the parcels that make up the former RDA’s interest in Paseo Nuevo.

Having been approved by the Department of Finance, the Plan for the four parcels designated for the Children’s Museum now governs the subsequent use and disposition of the property. The Plan determines that the property should be transferred to the City of Santa Barbara and subsequently leased to the Children’s Museum of Santa Barbara for development of the Museum in accordance with the approved development plan.

With approval for the transfer of the properties for the Children's Museum, the City is prepared to finalize the transfer of the property and enter into a license agreement for construction and a long term ground lease for operation of the Children’s Museum.

DISCUSSION:
The Children's Museum is proposed as a three-story, 16,691 net square foot building and was approved by the Planning Commission on October 6, 2011. As part of this approval, modifications were granted for front setbacks and parking. On October 25, 2011, the City Council granted the project a Final Community Priority Designation for 5,106 square feet of non-residential floor area. On April 11, 2012, the project received Project Design and Final Approval from the Historic Landmarks Commission, followed by final approval of landscaping and architectural details on April 25, 2012 and May 23, 2012, respectively. The only remaining step is plan check for building permits in order to move forward with construction.

Santa Barbara Children's Museum License and Lease:

The transaction has been structured such that for a period not to exceed three years after conveyance of the property to the City, the Museum will be required to undertake and complete construction of the Museum facility in accordance with the approved development project. If construction is not completed during that time, subject to possible extensions of time by the City, the License will terminate and the Children’s Museum will be required to relinquish possession of the property.
After completion of construction as evidenced by issuance of a certificate of occupancy by the City’s Building Inspector, the 50 year ground lease will commence. During the 50 year lease period, while no rent is paid to the City, the Museum will be required to operate the Museum subject to specific standards contained in the Lease.

A violation of the terms of the Lease will result in termination of the Lease and relinquishment of the land and buildings to the City.

Mr. Brian J. Bosse, Waterfront Business Manager
City of Santa Barbara
132 Harbor Way A
Santa Barbara, CA 93109

Dear Mr. Bosse:

Subject: Long Range Property Management Plan

Pursuant to Health and Safety Code (HSC) section 34191.5 (b), the City of Santa Barbara Successor Agency (Agency) submitted a Long Range Property Management Plan (LRPMP) specific to four Railroad Depot Regional Transportation Center parcels designated for the Children's Museum to the California Department of Finance (Finance) on June 20, 2013. Finance has completed its review of this LRPMP, which was approved by the Oversight Board (OB) through OB Resolution No. 014.

The Agency received a Finding of Completion on April 26, 2013. Further, based on our review and application of the law, the LRPMP submitted and specifically related to the four Railroad Depot Regional Transportation Center parcels designated for the Children's Museum is approved. The LRPMP approved through OB Resolution No. 014 contains all the elements required by HSC section 34191.5 (c). It is our understanding the Agency intends to transfer the four parcels to the City, who will in turn construct and operate the Children's Museum of Santa Barbara, which is a government use.

In accordance with HSC section 34191.4, upon receiving a Finding of Completion from Finance and approval of a LRPMP, all real property and interests in real property shall be transferred to the Community Redevelopment Property Trust Fund of the Agency, unless that property is subject to the requirements of an existing enforceable obligation. Pursuant to HSC section 34191.3 the approved LRPMP shall govern, and supersede all other provisions relating to, the disposition and use of all the real property assets of the former redevelopment agency.

Agency actions taken pursuant to a Finance approved LRPMP are subject to oversight board (OB) approval per HSC section 34181 (f). Any subsequent OB actions addressing the Agency's implementation of the approved LRPMP should be submitted to Finance for approval.

Please direct inquiries to Wendy Griffe, Supervisor, or Jenny DeAngelis, Lead Analyst at (916) 445-1546.
