1. **Consistency and Appearance.** The proposed development is consistent with the scenic character of the City and will enhance the appearance of the neighborhood with a high quality architectural style consistent with the neighborhood. The neighborhood is a mixture of one-story and two-story residences. The remodeled second story of the residence replaces an existing second story.

2. **Compatibility.** The proposed development is compatible with the neighborhood, and its size, bulk, and scale are appropriate to the site and neighborhood. The neighborhood has a variety of building sizes and lot sizes. The proposed development is 59% of the maximum guideline floor-to-lot-area ratio, which is well within the City’s adopted floor area guidelines, and the split-level design is consistent with many other homes in the neighborhood. The proposed garage and accessory structure to the rear of the property is not highly visible from the public right of way.

14. (Cont’d)

3. **Quality Architecture and Materials.** The proposed buildings and structures are designed with quality architectural details. The Spanish style architecture is consistent with the Eastside neighborhood.

4. **Trees.** The proposed project does not include the removal of or significantly impact any designated Specimen Tree, Historic Tree or Landmark Tree. The proposed project and the grading plan, to the maximum extent feasible, preserve and protect healthy, non-invasive trees with a trunk diameter of four inches (4”) or more measured four feet (4’) above natural grade.

5. **Health, Safety, and Welfare.** The public health, safety, and welfare are appropriately protected and preserved with the high quality design of the additions to the existing house. The proposed alternative access to the rear of the property and the installation of fire sprinklers in the main residence and the accessory building will provide adequate fire safety.

6. **Good Neighbor Guidelines.** The project generally complies with the Good Neighbor Guidelines regarding privacy, landscaping, noise and lighting. The project’s enhanced landscaping and the selection of lighting are consistent with the direction of the Good Neighbor Guidelines. The proposed remodel does not propose new second-story windows. Some of the new windows will be smaller than the existing windows.

7. **Public Views.** The development, including proposed structures and grading does not affect any significant public scenic views of and from the hillside.

Vote:

Unanimous voice vote. (Absent: Councilmember Hotchkiss)
